Freelance Digital Marketing & Brand Consultant

- Designed and executed full-funnel digital marketing campaigns for 10+ clients (e-commerce, education, local services), driving measurable growth in online reach and qualified lead generation
- Built brand identities from scratch — logo, messaging frameworks, and visual guidelines — ensuring consistent brand voice across all digital touchpoints
- Produced short-form video content, photography, and social reels achieving a consistent 30–40% increase in engagement across client pages
- Leveraged AI tools (ChatGPT, Midjourney, and Canva AI) to cut creative production cycles by 50%, enabling rapid A/B testing of ad creatives and copy variants.
- Built and optimized conversion-focused websites with strategic UX design, improving average dwell time and reducing bounce rates for client brands
- Delivered monthly analytics reports via Google Analytics and Meta Insights, translating performance data into actionable campaign optimization strategies
- Managed organic and paid social across Instagram, YouTube, and Facebook, achieving month-on-month follower and engagement growth for multiple brands
